Subject: Extension of Expiration Date for ASME Certificates of Authorization "N" & "NPT (N-3328 & N-3329) Exp. 3/6/2018

Dear Mr. Martin:

This letter is to serve as an extension of the expiration date for the subject Certificates for which the current expiration date is March 6, 2018.

As you will be scheduled for a survey at a later date, this extension will allow sufficient time for the evaluation of the survey results. Therefore this extension of the expiration date of your subject Certificates will expire on **August 6, 2018** or upon the completion of the evaluation of the results, whichever comes first.

Sincerely,

Lauren Powers
